Commonwealth of Massachusetts
Group Insurance Commission

Dear GIC Member:

This is an addendum to the *GIC Provider Directory*, which includes a list of CVS Minute Clinics that are available for all NHP members enrolled in the NHPCare HMO plan for the Group Insurance Commission (GIC). (See reverse side.)

NHP covers Limited Services Clinics when medically necessary for GIC members over the age of 24 months. No PCP referrals are required and a separate office visit copayment may apply (depending upon services received). Please check the NHPCare HMO Plan *Benefit Summary* for GIC members to confirm your copayment amount.

Covered services include:

Diagnosis and treatment of common illnesses such as allergies, bladder infections, bronchitis, ear infections, flu, mononucleosis, pink eye and sties, strep throat and swimmer's ear; treatment of skin conditions such as burns, rashes, poison ivy; flu and other preventive vaccinations;* suture removal; and select wellness and prevention screenings.

*Services do not include child immunizations other than flu vaccinations for children 24 months to 19 years old.

To be covered, all services must be rendered by an NHP contracted provider.

Upon obtaining services, please bring your NHP member identification card and the name and phone number of your Primary Care Provider (PCP).

For an updated list of NHP contracted providers or for additional information, please visit www.nhp.org or call the NHP Customer Care Center, toll-free, at 800-462-5449.
